Professional Summary

Hi there, My name is Muhammad Maaz Ahmed, I am a Frontend Developer currently studying as a 3rd semester student of ACCP Prime 2.0 at Aptech University Road Center.

I can provide you a fully responsive good looking

webiste with clean code according to your desire, I can also make a website more and more attractive with animations.

I can also make basic Single Page Applications (SPA) in ReactJs. I can also add backend functionality through PHP & MySql if you want.

Contact me if you are in need of a Developer
